COMPANY PROFILE

REG NO:2017/252323/07

ABOUT US

KGOSI-ENTLE ENGINEERING (Pty) Ltd was founded in the North West province of South Africa in 2017. The business soon expanded from being a small local electrical solutions company into one of South Africa's largest and top electrical construction and installation establishments. The company is registered with CIDB and we've aspired to be a level 1 BBBEE contributor since our first audit in 2017 and we're proud to say we've achieved this goal.

Our team is composed of technically skilled and highly dedicated personnel working cohesively to promote value-added solutions with a competitive pricing structure to suit your needs. We also engage in electrical product installations, testing and commissioning, preventive maintenance, automation, and energy saving solutions. Our commitment is to deliver outstanding results that will exceed your expectations.

KGOSI-ENTLE ENGINEERING (PTY) LTD team can handle the challenges and diversity of projects to satisfy clients. This has been reflected in the steady growth that the company has enjoyed since its establishment.

The company partners with some of the biggest manufacturers in the electrical industry to ensure highquality products.

OUR VISION

To prepare an effective and socially responsible Engineer to serve the future needs and challenges of the society.
